Learning Objectives	The aim of the course is to provide students with an understanding of basic of business law and company law as laid down within the regulatory system.
Course prerequisites	Private Law

Teaching strategy	Frontal lessons
Expected learning outcomes in terms of	
Knowledge and understanding on:	Students should develop knowledge and understanding applied to the real cases and consequently the ability to develop autonomy of judgement.
Applying knowledge and understanding on:	Students should deal with the legal cases of enterprise and partnership, by achieving judgement autonomy in relation to interpretative issues and possible solutions.
Soft skills	The course aims at training students' ability by using an appropriate jargon and by reporting arguments clearly. Students will be able to apply their ability and skills through critical analysis of issues related to enterprise and partnership.
Syllabus	
Content knowledge	The course will focus on:

	<p>enterprise and partnership in the current regulatory system; business activities, organization and proprietorship models; enterprise and partnership rules; models of integration (agreements, GEIE, ATI, joint ventures, network); enterprise identifying marks: trademark, brand; Competition and Antitrust Law partnership agreement, models of partnership and other institutions concerning business; basic of corporate law.</p>

Manuale breve, Giuffrè, Milano, latest edition (Parte I).</p>
Notes, additional materials	
Repository	e-learning platform

Assessment	
Assessment methods	<p>Students take only one exam at the end of a two-year course (Diritto commerciale I e II).</p> <p>Partial test on Business and Company Law, as written exam, can be scheduled by Professor at least once for exam session.</p> <p>By passing partial test, students do not acquire the CFU for their career, or scholarship, or tax exemption. Partial test only allows students to split exam programme.</p> <p>The final grade will result at the end of II course (Diritto commerciale II), with an oral exam.</p> <p>Distinct examination reports of the partial test are kept by the administration office.</p> <p>Students can split programme exam or take one exam at the end of two-year course.</p> <p>Attendance to the course supported after signature and by roll call is the condition for taking the partial test.</p> <p>Only working students, also part time can take the partial test without attendance.</p>
Assessment criteria	The written test is passed with a positive judgment (sufficient, good, very good).
Final exam and grading criteria	<p>The exam evaluation verifies: students' knowledge and understanding applied to the real cases and consequently the ability to develop autonomy of judgement</p> <p>the ability to confidently approach and deal with the issues raised within the course</p> <p>the legal jargon skills related to the issues and case law related to the course's contents</p> <p>critical skills of business and company law topics, particularly with regard to business</p>
